Seal Tour (Optional Activity)

"It's a boat! It's a bus!! The SEAL!!! San Diego's original amphibious Sea and Land Adventure. Your fully narrated tour winds through picturesque San Diego streets before splashing down for a cruise through San Diego's big bay. [Our tour will be in reverse.] Experience the history and ecological wonders of San Diego in the comfort and security of our virtually unsinkable Coast Guard approved Hydra-Terras. You may even meet an endangered species or two!

You'll experience, first-hand, the rich maritime and military history of San Diego as you cruise past Navy ships, tugboats and fishing vessels through the waters of our beautiful harbor. Don't miss this exciting, entertaining adventure of a lifetime to see *America's Finest City* as you have never seen it before!"
(from Seal Tour brochure)

It will pick us up right across the street from the hotel!

This peaceful and tranquil setting is also just minutes from San Diego's attractions making it the perfect choice. Your opportunity to experience paradise is here!
