## CSNN History

The Christian Science Nursing Communication Network, Inc. (CSNCCN) incorporated in 1997 after operating informally since 1994. Nonprofit status (501(c)(3)) was granted by the IRS in 1997. In 2010 the organization changed its name and is now doing business as the Christian Science Nursing Network, Inc. (CSNN).

Since the informal beginning of the organization, the CSNN Board has planned and hosted eight International Christian Science Nursing Conferences (ICSNC) open to Christian Science nurses. Fund raising allowed the CSNN Board to subsidize about half of the housing costs during numerous Conferences for the Christian Science nurses in attendance.

The most recent conference was held in September 2009 at Cedars Camps in Lebanon, Missouri for all Christian Science nurses.

Since 1994 the CSNN Board has been responsible for the publication of *Vision Now!*, a newsletter written by and for Christian Science nurses. Originally *Vision Now!*, was produced free of charge. Later it was necessary to charge a subscription fee which was abolished in 2005. Partial internet delivery began with the first edition published in 2006. In 2009, *Vision Now!* was published and sent only via the internet. Issues have a focus on some aspect of Christian Science nursing.

In 2003, the CSNN web site was designed and went online for the first time. The web site had a major redesign in 2007 and again in 2010. See us online at [www.csnnetwork.org](http://www.csnnetwork.org).

## 2010 Annual Report of the President

It has been a joy-filled year with much accomplishment.

Our Annual Meeting in January was made possible via SKYPE. Two of our members were together in San Diego. Katherine Pennington and Kim Thorndike met to transfer the duties of Treasurer from Katherine to Kim. We are very grateful for the many years Katherine gave to the office of Treasurer. We welcome Kim to her new duties! We also send a big "Thank You" to Sunland Home for their wonderful hospitality given to Katherine and Kim.

We are grateful to share that we met many of our goals this year. *Vision Now!* had four publication dates in February, May, August and November of 2010. Our name change was also a big undertaking; we are now called the **Christian Science Nursing Network (CSNN)**. This was announced along with our website's complete makeover. Gabriel Serafini, owner of Serafini Studios, designed a new website for CSNN. Please check it out at [www.csnnetwork.org](http://www.csnnetwork.org).

Our Board met in Concord, NH in late October. It is always good to meet in person as we accomplish much needed work. At this meeting we selected our 2011 Conference theme of "walking over the wave" (*Science and Health with Key to the Scriptures* by Mary Baker Eddy 369:10) and began Conference planning.

Katherine Pennington resigned from the CSNN Board in late November. We are very grateful for her generous and loving commitment to the Board. She offered never-ending talents and skills while serving as a CSNN Board member.

We rejoice in God's direction as we progress and look forward to "walking over the wave" (*S&H* 369:10) in the coming year.

Respectfully submitted,  
Mary Hollister, President
