2012 Annual Report of the President

It has been a joyous year.

Our Annual Meeting in January, 2012, was made possible via Skype. Throughout the year we spent many productive hours together Skyping for our Board meetings.

In July 2012, Bonnie Mitchinson resigned to take care of family needs. We are so grateful to Bonnie and will greatly miss her. Patricia Brugioni, from Chicago, Ill, joined our team in August. She will begin blogging and working with our Facebook page. We welcome Patti.

We were grateful to be able to keep our website up to date. We added a private section for our Board members to keep our documents and forms.

In September, we all met together in Albany, NY for a face-to-face Conference pre-planning meeting. We always look forward to being together. It gives us a wonderful time to get so much accomplished. We completed the Conference budget for 2013 and began planning the 2013 Conference.

Once again the Conference will be at CedarS Camps. It will be held September 4–8, 2013. This will be the 10th biennial Conference, we have planned many wonderful events. The theme is “All taught of God”.

We rejoice in God's direction as the organization progresses and look forward to seeing many Christian Science nurses at the Conference!

Respectfully submitted,
Mary Hollister, President

2012 Treasurer's Report

The King of Love my Shepherd is,
Whose goodness faileth never;
I nothing lack, for I am His
And He is mine forever.
Hymn 330

One of the primary functions of CSNN is to provide biennial conferences for Christian Science nurses. 2012, a non-conference year, was filled with many blessings. As your board, we continually pray to see how we can fulfill our mission to support the healing ministry of Christian Science nursing. One way we do this is through strengthening relationships with donors who share our goal of loving and valuing the Christian Science nurse.

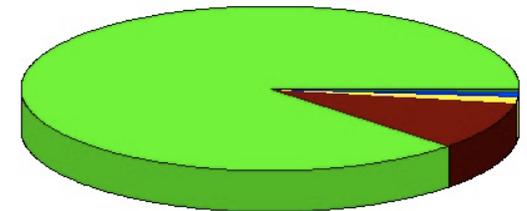

For many years, we have worked to build a financial base that would allow us to plan each conference without requiring the personal financial liability of the CSNN Board members. Through much generosity, we have reached that goal. So in 2012, knowing that there were many other organizations seeking funding, we sought to raise only those funds needed to meet our modest operational expenses.

Our accountant has completed the tax preparation and financial statement for 2012 and our books were found in good order and meet generally accepted accounting principles. We move forward into 2013 with much appreciation for each individual, foundation, and sponsor who joins with us in presenting the 10th biennial International Christian Science Nursing Conference. Our song of joy rises strong!

And so through all the length of days
Thy goodness faileth never;
Good Shepherd, may I sing Thy praise
Within Thy house forever.
Hymn 330

Respectfully Submitted,
Kimberly Thorndike, Treasurer
