

The Christian Science Nursing Network, Inc.  
Presents  
The 2017 INTERNATIONAL  
CHRISTIAN SCIENCE NURSING CONFERENCE  
September 6-10, 2017 ♦ CedarS Camps, Lebanon, MO

All Christian Science Nurses are invited to  
attend this year's ICSNC!

Each day opens with its own keynote address, which will provide the foundation for that day's unfoldment. The morning speakers are: Caroleen Scholet, Linda Kohler, and Barry Huff. Saturday evening, wrapping up our time together, will be an inspirational closing talk given by Eva Boone Hussey, CS, on the conference theme;

**"One By-Law, One Christian Science Nurse."**

Attendees may expect to receive inspiration and new information through presentations and workshops with such topics as:

Navigating Invoices, Contracts & Taxes for the Self-Employed; New Products; Maintaining our Vibrancy; How to Study More Deeply; and Speaking to Public Officials and Medical Personnel, and much more!

We will even receive continuing support and skills review with hands-on slider sheet instruction.

**WE ARE ALL ONE IN THIS  
PRECIOUS MINISTRY...**

Be prepared to form new friendships & to be pampered by the excellent CedarS Camp Staff! During free time, play ping pong, foosball, grass volleyball, go hiking or enjoy studying with bound volumes and computer access. There is a 300-foot water slide, lap pool and diving well available when lifeguards are on duty during recreation time each day. CedarS is again making available a few special optional recreational activities for a \$15 fee each: Bible Land zip line, cable water sports, horseback riding or pony cart driving.

**Who is the greatest among you?**

**We are ALL needed in our various fields. Let us pray to value, support, love, cherish and understand one another more deeply each day.**
