2016 President's Report

While most of the US focused on a lengthy and loud political race, CSNN quietly ticked items off of a list of goals and continued to fulfill our mission.

In April 2016, Elizabeth Harned left our team to pursue other areas of work. We were grateful for the humor and insight she brought to our board, even if for a short time. Debbie Stucker joined our board in August of 2016, bringing her talents and sunny disposition.

This year, with updating our web site, we also incorporated a new logo and new photos.

In October, we met in Akron, OH, for a face-to-face, Conference planning meeting. We always look forward to being together and accomplishing the tasks at hand. Now, leading up to the conference, we will continue the work via Skype until the event begins.

This, our 12th biennial ICSNC, will convene at CedarS Camps in Lebanon, MO from September 6th-10th. The theme is "One By-Law, One Christian Science nurse." We are thrilled and honored to see how this idea is unfolding to become an amazing, fun and worthwhile event for everyone. We rejoice in God's direction as it progresses and look forward to seeing many Christian Science nurses at the Conference!

Respectfully submitted,
Mary Hollister, President

2016 Treasurer's Report

Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. (Mal. 3:10)

Our gratitude abounds for all of the blessings we have received. The CSNN boards listens for ways to fulfill its mission: "to encourage and support the healing ministry of Christian Science nursing by providing forums for promoting, strengthening and perpetuating communication with Christian Science nurses."

This past year, while endeavoring to both fulfill our mission and to use our resources in service to the field, we have made *Notices and News from CSNN* available at no charge. This quarterly publication delivers announcements, training schedules and job opportunities directly to Christian Science nurses around the world. We are grateful to see our mailing list grow as word spreads of its availability.

Also in 2016, we refined our operations to track our expenses in a more modern and paperless way, utilizing our website's back-office capabilities. This development reduces the time spent handling and recording transactions while increasing overall efficiency.

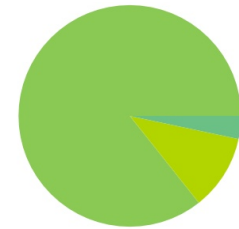

Your prayers and support are expressions of God's abundant blessings for all! Please join us as we continue our work in 2017 to meet "the special demand" of which Mrs. Eddy speaks:

"There is with us at this hour this great, great blessing; and may I say with the consciousness of

Mind that the fulfilment of divine Love in our lives is the demand of this hour – the special demand." (My. 131: 30-2)

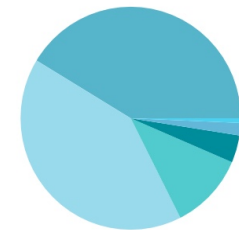

Respectfully submitted,
Kimberly Thorndike, Treasurer
