## CedarS Camps

CedarS is a not-for-profit camp for Christian Scientists, backed by a volunteer Board of Trustees, but still run by 2nd and 3rd generation members of its founding family, the Huffs. Situated in the beautiful Ozark Hill Country atop an "uplifting plateau" over 1000 feet higher than the surrounding plains, it encompasses 800 acres. This area in Missouri is blessed with spring-fed streams for canoeing, and fishing, caves for exploring, lakes for skiing and sailing, and wooded hilltops for hiking, repelling and riding. It is a perfect place to retreat, explore, learn and network. Come join a joy-filled adventure, be nursed by the wonderful CedarS staff and network with fellow Christian Science nurses.
